birth preferences made simple

WELCOME FRIENDS!

We are acclimating to life with baby and appreciate you not expecting too much from us.

PLEASE COME IN QUIETLY IF:

- Everyone is healthy.
- You are here with love, smiles, patience, and acceptance.
- You can bless us with your talents of housework, doing dishes, folding laundry, feeding us, or taking care of other household tasks (ask us!).

If you can't check all three boxes, please consider postponing your visit.

We're so glad you're here!

Love,
